

Sewer Rate Ordinance Expected To Be Ready

Bond Issue, Garbage Contract Also May Be Major Issues Tonight

A busy session is anticipated by Granite City aldermen for tonight's council meeting at 8 o'clock.

Not only is the \$10,000,000 revenue bond ordinance for the proposed sewage treatment plant and master sewer and drainage program scheduled for advancement or passage, but along with it, companion ordinance setting monthly charges for residents, businesses and industries is to be submitted.

Other possibilities for tonight's agenda are consideration of the proposed \$147,500,000 contract for garbage and trash collection, which is currently being considered by the Tri-City Board of Labor Council; a report on Thursday night's conference with the levee district for financial aid to replace two Nameoki sanitary sewer trunk lines; presentation of the state's request for the city to finance with motor fuel tax funds a widening and paving project for West Point road and the city's annual financial report for the 1961-62 fiscal year.

Basis For Billing

The sewer bond issue ordinance, being prepared by former city attorney William Beatty, sets a minimum monthly rate at \$2.25 for the average household. The monthly charge also is to be based on water consumption, and billing will be at the rate of 56.25 cents per 100 cubic feet for the first 15,000 cubic feet of water used.

While the \$5.25 monthly charge is expected to cover most households, the ordinance can determine his own rate by consulting the water consumption, and billing will be at the rate of 56.25 cents per 100 cubic feet for the first 15,000 cubic feet of water used.

The rate ordinance specifies billing on the sewers is to be based on winter water consumption, on the theory that most Granite Cityans use less water during winter months when lawns and gardens are not watered.

The \$2.25 minimum charge would permit consumption of about 575 cubic feet of water a month, or slightly more than 725 cubic feet per quarter. Should a family consume 1800 cubic feet in a quarter, that would be 600 cubic feet a month, and the sewer bill would be \$5.25.

However, engineers say most Granite Cityans will be within (Continued on Page 5, Col. 1)

Levee District May Give Aid To City

Sewer Replacement Cost Nearly \$190,000; Board Considering \$100,000

Levee board trustees indicated Thursday night they may approve an allocation of \$100,000 toward the estimated \$190,000 cost of replacing the broken Aubrey and, Clair avenues trunk sewers in the Nameoki sanitary system.

However, there was no firm commitment for the delegation of five Granite City aldermen who were at the levee district office in East St. Louis for the special board session during which Granite City engineer David J. Johnston submitted plans for replacement of 256 feet of 15-inch trunk sewer.

Levee Board President Lawrence Toland, along with other trustees, present, John Holla and Thomas Hennessy, that he had inspected the breaks with Mayor Davis, and the engineers a week earlier. "I consider this an emergency," Toland said.

However, his suggestion to allocate the \$100,000 toward the project cost was not accepted by Hennessy, who suggested legal aspects of the assistance be approved before any concrete recommendation is made.

The motion approved by the three trustees was for levee district attorneys to return an opinion on the legality of such an expenditure, with the finance committee to submit the report to the full board for reconsideration. The motion did not set a date.

After the presentation by Engineer Johnston, Toland pointed out the district had been criticized for giving financial aid to Granite City to repair the Terrace lane sewer line. "We realized the city is broke and we'd like to help out, but we can't take over the work fully because of other commitments," Toland said.

Engineer Johnston stressed that all of the breaks to date have occurred along trunk lines which the levee district had constructed under its portion of the Nameoki sanitary sewer project, and that Granite City was without money to carry out the replacement work.

"I told Granite City they give help," Toland told the board. "But Granite City should handle all the contracts and we should designate some money, a flat sum of \$100,000."

\$100,000 Motion Blocked

Hennessy replied, "This is too fast. We told Granite City on the Terrace lane break that would be the last time we could help them. We should have a legal opinion on this."

Continuing to urge the board to take immediate action, Toland again stressed the emergency. "Granite City is losing streets and may even have some homes that are the ones that will have to be abandoned, the city or through the district."

Hennessy pressed for a legal opinion, and Toland said he would be able to earmark the money immediately. "It will take a little time either way," he said.

The motion for a legal opinion and for finance committee action was approved, but also was opposed by Hennessy, who asked for the recommendation to be submitted to the board for further action.

An Editorial

Action Tonight Can Solve Drainage Woes, End Pollution, Lead To Huge Renewal Aid

By adopting the pollution-drainage bond ordinance tonight, the city council can approve a vitally needed program while simultaneously qualifying for large federal urban renewal grants.

The net result can be a tremendous bargain for Granite Cityans, with the community moving ahead rapidly into an era of fully adequate municipal services and facilities, and extremely attractive residential and business areas.

St. Louis is proceeding with federally-financed rehabilitation programs exceeding \$50,000,000, and University City has just received preliminary approval for grants totaling \$850,000. Collinsville, Olivette, St. Louis county, Kirkwood and Webster Groves have similar programs.

Aid available to Granite City is conservatively estimated in the millions of dollars, if the city proceeds with its pollution-drainage program. However, if sewage treatment and related projects are left up to the East Side Levee and Sanitary District, no urban renewal aid can be obtained, because levee districts are not eligible.

Basically, \$2 of federal money is available for each \$1 of the city's program, if the government provides all planning funds. The improvement is financed locally, the ratio for construction aid is \$3 to \$1.

There are limitations on such grants associated with the size of the areas in need of rehabilitation and the type and location of the improvement projects for which funds are sought. The full \$30,000,000 potential aid is unlikely to be received. But there is no question that the city can obtain substantial sums, and quickly.

Thus, if residents of local neighborhoods individually improve their property to meet minimum standards under the federal renewal program, the U. S. Government will provide 100% of the money needed for projects that it approves. Such improvements have included street paving, construction of curbs, gutters, sewers, sidewalks and parking lots, purchase of land for parks and building of new housing developments.

With huge financial grants in the offing, and the need for city pollution-drainage action already obvious and acute, tonight's meeting can mark a historic milestone in Granite City progress.

Least they be forgotten, the other advantages of favorable action on the ordinance include providing a two-pipe drainage system throughout the city, eliminating frequent flooding of streets, halting overflow of debris-laden effluent into Nameoki area yards and streets, ending the basement churning menace, complying with the state pollution abatement order so that the ban on new homes, stores and industries can be lifted, extending sanitary lines to North Granite, obtaining a sewage treatment plant that is locally controlled and \$1,700,000 less costly than a one-pipe system, and widening, paving and fencing the Nameoki storm water drainage ditch.

It think before meeting with Madison on the matter.

Police Halt After-Hours Card Game Behind Bar Room

Five gambling arrests were made by Venice police in a Main street tavern building during closing hours Saturday morning.

6 Quad-Cityans To Be Drafted Wednesday

Six Quad-City area men are to be drafted Wednesday, when 10 others also are to report for pre-induction physical examinations.

The six draftees are to report at 6:30 a.m. at the county select service office, 1204 Hillsboro avenue, Edwardsville, and from there will go to a St. Louis examining center.

Next month, 10 Quad-City area men are to be drafted June 20 and are to report for pre-induction physicals on June 20.

The five were booked at the police station on identical charges of gambling, between 2:35 and 3:15 a.m., and all were released at 3:30 a.m. on property bonds signed by Johnny Lewis. Four police participated in the arrests.

At the hearing, testimony was given that they had been involved in a "rummy" card game at a local bar.

Police charges were dismissed by Police Magistrate Wesley Edwards. Warnings were given to the group by Chief Frank DeWitt said there was no evidence to show exactly what type of card game was being played.

\$140,000 Warehouse To Be Built In Venice

Council Oks Plan By Johns-Manville Corp.; Pollution Meeting Set

The Johns-Manville Products Corp. in Venice plans to erect a \$140,000 warehouse addition to its plant here, the city council learned Friday night.

The building permit was approved at the council meeting.

The permit calls for a 17x-232-foot building, of steel frame and metal exterior, to be used for general storage and warehousing purposes.

The structure will be adjacent to the present plant in the 1100 block of Bissell street.

Action On Stop Signs

In other action, the council approved a plan for erection of stop signs at the northwest and southeast corners of the intersection of Douglas and Mercedia streets, and a change in the stop sign at Selb and Bissell streets.

If residents of half traffic at the intersection, where there was no stop previously, the Selb-Bissell sign will be relocated to stop southbound traffic on Selb. Eastbound traffic on Bissell formerly was stopped.

Pollution Abatement

Mayor John E. Lee said he will attend a meeting called by the East Side Levee and Sanitary District board tomorrow night to hear its revised figures on a unified water pollution abatement program. He asked a four-man aldermanic committee to begin a study on the matter after the levee district report in meeting with Madison, representatives on a joint Venice-Madison sewage treatment plant.

It think before meeting with Madison on the matter.

Puppy Sales, Parade

The council approved a request from Post 1390 of the Veterans of Foreign Wars for permission to sell "Buddy Puppies" on Venice streets May 25 and 26.

In the same action, the aldermen approved a Memorial Day parade to be staged by Venice-Madison Post 307 of the American Legion. The parade is to begin at 9 a.m. at Broadway and Third street, proceeding up Broadway to the city limits.

14 Small Trees Broken By Vandals In Madison

Young vandals are believed to have been active at 1 a.m. Saturday, and the result was loss of trees valued at \$100. Fourteen trees were found to have been broken off on both sides of the avenue between Third and Sixth streets.

Placed between the curbing and sidewalk during the past several years, the small trees were part of an extensive tree planting program financed by the city. The vandalism was discovered at 6:35 a.m., and residents reported they had heard noises at 1 a.m.

Venice Boy, 10, Loses Two Toes In Power Mower

A power mower mishap Friday cost a 10-year-old Venice fourth grader, Paul Hill, two toes on his right foot. It was learned from his parents, Mr. and Mrs. Guy Hill, 644 Jefferson street.

The boy, who was hospitalized here for two days and returned home yesterday evening, was helping his 12-year-old brother, Guy Jr., in their first attempt to use the power mower in the yard at their home. Mrs. Hill said her younger son was kicking the mower to knock loose grass that was clogging the grass exhaust and his foot went in the opening.

With loss of his third and fourth toes and a severe cut to his second toe, the youth is expected to remain in bed at home for the next 10 days. His mother said his right shoe was torn apart by the blade.

U. S. Officials 'Impressed' With Area Lab Sites

(Picture on Page 28)

Tri-Cities Chamber of Commerce officials said Saturday that U. S. Public Health Service representatives were "favorably impressed" with area possibilities as a location for a planned Midwest water pollution laboratory.

A site surveying team studying feasible locations met Friday morning with representatives of the U. S. City, the Tri-City County and Southern Illinois University. The afternoon was spent visiting the SIU campus near Edwardsville.

George Carley, a Region Five officer with the health service, said the planned laboratory will be a \$3,000,000 installation, one of seven to be built throughout the nation. Some sites have been chosen, and noted there is keen competition for the Midwest unit.

Accompanying Carley was John Rademacher, also a Region Five officer, who outlined the role of the health service in water pollution control.

The government representative emphasized that their job is to evaluate and report on possible sites, decision on the location must be made by the Secretary of Health, Education and Welfare.

Local Report Is 'Best'

Carley said the 49-page site proposal submitted by the local C. of C. was one of the best and most comprehensive they had received.

Dr. Clarence Stephens, vice-president of SIU in charge of the Edwardsville campus, directed the afternoon tour. The visitors were shown possible laboratory locations on the 2800-acre campus, in areas set aside for research facilities. Dr. Stephens also showed plans and models of future campus development.

Meeting with Carley and Rademacher were Paul H. Lichtenberger, C. of C. president; A. W. Morris III, representing the Industrial Development committee; Carl Rant, chairman, and John Barron, manager, Tri-City Post Authority; Harlan Dobry, C. of C. manager; Dr. Stephens, Gene Graves, director of community development for SIU's Edwardsville campus.

Auto Runs Over Lawns

An unidentified driver in a red and white car drove into the rear yards of two homes at 2828 and 2824 Edgewood avenue Saturday morning. The houses are occupied by Harold Stevenson and Richard Weiss, police said.

The car ran over a bicycle, damaged a tree and the lawns.

GC Police Clear 8 Cases With 8 Arrests

Separate Groups Admit Break-Ins At Taverns, Market, Restaurant

Granite City police cleared at least eight cases in the past few days with the arrest of eight persons.

Two men admitted three tavern break-ins, the theft of a car and a fire and wheel, and implicated a third man.

Carl D. Smith, 19, of 2209 (rear) Delmar avenue, Ronnie Alder, 19, of 1640 East 23rd street, and Donald Carney, 22, of 2435 Logan street, were arrested on burglary charges.

Police say the break-ins were at Rome & Roy's tavern at 2476 and taken away on two occasions, the Twilight Tavern at 905 Niedringhaus, and there was the theft of a car belonging to Rudy Olkeski of 2121 Delmar avenue, from which a wheel was taken.

Smith, on two charges of burglary and theft, pleaded guilty to theft Friday and was fined \$50 and given a 90-day sentence. The sentence is to be suspended and a year of probation substituted if the fine is paid.

The theft charge resulted from Smith putting a car of C. and M. Smith, 2435 Logan street, on his own car, police said. The stolen vehicle was found abandoned behind a garage on Missouri avenue last Wednesday.

Tavern Break-Ins

The break-ins at Rome and Roy's tavern occurred on May 15 and May 16. In the first, a small radio and money from coin machines were taken. In the second, visit the burglars left before taking anything, police reported.

The Twilight Tavern, police reported May 6, money was taken from the juke box, the officers reported.

Smith waived a preliminary hearing and was set for Friday for Alder when he waived a preliminary hearing.

Carney was arrested Saturday and taken before the magistrate. He waived a preliminary hearing and bail was set at \$5000. Police said he is a probationer.

All three were still in county jail today after failing to make bond.

4 Teenagers

Four juveniles also were apprehended by police. They are charged with two other break-ins.

Policeman's Car Stolen, Looted, Broken, Burned

Apparently angry because the 1954 auto they stole in St. Louis court yesterday proved to be the property of a St. Louis policeman, Elmer C. Hildebrandt, police officers looted the vehicle but virtually demolished it and set it afire on the Venice riverfront, police discovered at 5:30 a.m. Saturday.

All windows and all headlights and taillights were broken, the top was damaged, apparently with an axe, and all tires were removed. Police recovered one of the tires from the Mississippi river, raising the possibility that any of the loot not hauled away was dumped in the river.

Missing are police handcuffs, two nightsticks, civilian raincoat, two pairs of eyeglasses, two umbrellas, first aid kit, two auto jacks, a camera with five rolls of film, flashlight, tool chain, box of gum and a cooler containing groceries.

As a tow truck driver was attempting to remove the smoldering front-end cushion at 6:10 a.m. Saturday, it burst into flames. Venice riverfront was summoned to the riverfront to put out the blaze.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent Thursday: Robert Aaron, 2016 Fairview street; Thomas Halseth, 2028 Elm avenue; Emma Jean Brown, 2808 Benton street; William Nelson, 1009 Main street; Venice; Lourine Thebaud, 2807 Kirkpatrick Homes; Wa-e Ives, 2551 N. Nameoki drive; Charles Dudenhofer, 2712 Iowa street; Port Hill, 614 Jefferson avenue; Venice; David Orshorn, 2017 Twelfth street.

Committeemen Say City Could Cut Sanitation Costs

Stressing the city could economize in its sanitation department operation by consolidating the pickups of garbage and trash and city maintenance of the dump, Granite City Democratic precinct committeemen voted Friday night to urge the city council to reject a proposed \$147,500 private contract.

During the special meeting at the Rose Bowl, attended by 14 committeemen and presided over by City Chairman Richard Allen, the committeemen took no definite stand on the matter as to drainage and pollution abatement program. They decided to call meetings in their precincts to inform individuals of the scope of the program. An explanation was given by William Beatty, former city attorney who is preparing legal steps for the projects, and the project engineer, Edw. Juneau, who volunteered their services for the precinct meetings.

Allen pointed out that should the program fail locally, the levee district could take over and without any local control could issue revenue bonds, setting fees to be paid solely by local residents and not throughout the entire levee district.

Alderman Arthur Wierzer outlined the garbage proposal, pointing out no bids were sought for the contract, which he said was too costly, especially with the proposed operation by the department by only four men who would drive the trucks and also make the pickups without assistance. "Salaries alone should be much less and cut the contract figure," Wierzer stated.

Bus And Truck Collide

A bus and panel truck that had stopped abreast of each other for a red light both attempted to negotiate a right turn at the same time Friday at 20th street and Madison avenue. A minor collision occurred and the right front of the truck and the left side of the bus were damaged. The bus was driven by Clarence N. Montgomery, 58, of 2518 Hodges avenue. The truck driver was Anthony C. Grous, St. Louis.

House Burglary, Other Thefts Here Over The Weekend

A variety of thefts and burglaries were reported in the Quad Cities over the weekend, according to local police. A Granite City house was broken into, and several items were reported missing. In one instance, a thief apparently took a man's watch in broad daylight while he was mowing his yard.

The home of Mrs. Martha Simons, 214 East 20th street, was entered late Thursday night. Stolen was a 17-inch portable television set, a green metal box containing about \$70 in cash, four U.S. savings bonds valued at \$18.75 each and a quantity of jewelry. The house was completely ransacked. Entry was gained by prying a rear door.

Carl Crippen, of 2629 East 23rd street, placed his gold watch, valued at \$80, on his porch Sunday while he mowed the lawn. It disappeared between 1 and 2 p.m. They believe a boy on a red and white bicycle, wearing blue jeans and a white T-shirt may have taken it.

House Ransacked

Clothing Taken

San Jacinto of Springfield reported the theft of a suit of clothes, a sports coat, trench coat and suit case from his car Thursday as it was parked at 19th and Adams streets.

George Lee of East St. Louis told police Thursday that a tire and wheel were stolen from his car as it was parked overnight on a food store parking lot near 20th street and Madison avenue.

Chewing gum was reported stolen Thursday from the Little League Baseball Association concession stand at Johnson and Pontoon roads. A section of siding was torn off to gain entry.

\$1000 Bail
Frank Markovich, 19, of 1638 Third street, waived a preliminary hearing Thursday on a charge of burglary. Police Magistrate Gasparovic set bail at \$1000 for a May 31 hearing. A property bond in that amount was posted and the youth was released.

He had been caught early Thursday morning in the act of burglarizing Emmitt's market at 2700 Edwards street. Police making a routine check of the building investigated an open window and found Markovich in the store.

William Carlton, 2232 Bryan avenue, upon returning home from a fishing trip Friday night left his fishing gear on the front porch. He told police it was gone Saturday morning. It consisted of a red rod, a reel and a cane pole.

Gas Siphoned
Mrs. William Ruenmiller, 2428 Benton street, told police she heard a noise in front of her house Saturday night. Sunday it was discovered the gas tank of the family car had been drained.

Marie Smith of 63 Garesche Homes, Madison, told police the battery was taken from her car while it was parked on a lot near her apartment sometime Saturday night or Sunday morning. She said the battery cables were cut.

Boys Take Gas
Grace Baptist Church, 2601 Edwards street, was burglarized Thursday or Friday. An annex house across the road from the main building was broken into and a round mahogany end table, a large table lamp, two shadow boxes and about 60 cents in change were stolen.

Rear-End Collision

Lloyd R. Coleman, 21, of 2819 Iowa street, posted \$11 cash bail Friday when he was given an arrest ticket for following too closely. The auto he was driving struck the rear of another driven by Robert L. Sanders, 36, of 2624 East 24th street, who was turning into his driveway. Coleman's car was extensively damaged. Sanders' car was only slightly damaged, police said.

Charged With Speeding

Walter H. Rowland, 23, of 1738a State street, and Richard Hillman, 21, of 3000 Idaho street, posted their driver's licenses as bail when they were given arrest tickets on charges of speeding Friday in Granite City.

A neighbor saw several boys taking the gas about 3 a.m. Two of the boys are believed to have been identified and police are investigating.

Battery Stolen

James Holland, 2637 Cleveland bld., reported Friday that two white cast iron chairs were stolen from the porch at his home Thursday night.

Marko Georgeff, 1408 Iowa street, told police Friday the bus was pried from his garage door and a quantity of fresh vegetables and soda pop valued at \$5 was stolen. He had seen two boys in his yard, he said.

The subsequent investigation led to the apprehension of two other boys in connection with the burglary of the AG supermarket at 2257 Illinois avenue May 9. In that break-in \$72 in change and several cartons of cigarettes were stolen.

The boys were turned over to juvenile authorities. Tracing a license number that was jotted down by an observant witness, police arrested Eugene Weldon, 17, of 2540 Highway 67. He was fined \$30 for theft Friday by Magistrate Gasparovic. He was observed siphoning gasoline from a pickup truck at 2810 West 22nd street May 15.

Truck-Auto Accident

A truck operated by Gerald Vannada, 26, of Memphis, struck the rear of an auto driven by William D. Crowley, 35, of 664 Barkley avenue, Friday. Both were leaving a parking lot and turning left on Madison near 17th street, police reported.

Opens Door Into Traffic

While Kenneth D. Brady, 24, of 2236 Nevada avenue, opened the door of his station wagon Friday in the 1900 block of Delmar avenue, it was struck by a car driven by Henry A. Amelung, 43, of 2239 Lee avenue, who said he did not see it in time to stop. No injuries were reported.

Automatic Pump Controls Ok'd By Levee District

A contract with Minneapolis-Honeywell Corp. for installation of a \$78,649 automatic surveillance system at pumping stations in the district and a \$5896 contract with Motorola Corp. for a two-way radio system were authorized Thursday night by trustees of the East Side Levee & Sanitary District meeting in a special session in East St. Louis.

Engineering Committee Chairman Thomas Hennessy submitted the recommendation to the board, and approval was given by him and the other two members present, President Lawrence Tolar and John Molla. No bids were sought for the automatic equipment, and Hennessy said the Minneapolis-Honeywell proposal was the most beneficial to the district and that the firm's engineers had aided the district in outlining the project.

At an earlier meeting, Hennessy said the automatic equipment would save the district an estimated \$40,000 a year. It would be installed at six pumping stations and would relay information on water levels, pump bearing temperatures and pump operating times to a central control panel at the levee district garage where pumps could be turned on or off automatically through the use of leased telephone lines.

The district now employs 18 full-time operators and others to maintain the pumps, a job which could be by four men hired by a private firm which would sign a pumping operation and a maintenance contract with the district. The pump crew would be hired by the contractor.

The two-way radio system will include a transmitter-receiver at the levee district office and five mobile units for automobiles of key personnel.

Trustee John Molla said the system would save considerable travel and expense, and recalled that during a recent flood period in the East St. Louis area, he and the district's engineers had to walk great distances to get to telephones after surveying conditions.

Mrs. Zoe Cook Dies; Hospitalized A Month

Mrs. Zoe Cook, 80, of 903 Kirkpatrick Homes, died at 12:15 p.m. Friday at St. Elizabeth Hospital. She had been a patient there for a month with a heart condition.

Mrs. Cook was the widow of Albert B. Cook, who preceded her in death in 1951. Born in Collinsville, she had been a Granite City resident 47 years.

She was a member of St. Bartholomew's Episcopal Church and belonged to DUW Tent 99.

Surviving are a daughter, Mrs. Hazel Lerner, with whom she made her home; six grandchildren and 18 great-grandchildren.

Funeral services were conducted this morning at a Granite City funeral home, with interment in Sunset Hill Cemetery.

An obituary notice appears elsewhere in this issue.

Rites For Earl Pirtle, Former Granite City Man

UF Council Oks 1st Arthritis Treatment

The first case authorized by the Tri-Cities Area United Fund Social Planning Council under its arrangement for patient care with the Arthritis & Rheumatism Foundation Eastern Missouri Chapter in St. Louis amounts to about \$240. It was announced at Thursday's meeting of the council held at the YMCA.

Chairman Arthur Roseman said the case involves a Quad-City area woman. Also approved was an expenditure of \$40 for repairs to braces for two local polo victims.

A four-month financial report shows \$2973 expended on about 50 cases. The council has an annual budget of \$7500.

'Ellie' Skit Is Feature of GOP Women's Program

The Republican Women's Club of Granite City held the annual mother-daughter party Thursday evening at the YMCA with approximately 45 members and guests attending.

The club is conducting a membership drive and announcement was made of a gain of 17% during the past month.

The welcome address was given by Mrs. Edna Kohlbrecher, president, and after the pledge to the flag led by Mrs. Vivian Davis, Mrs. Gladys Newman, vice-president, gave the invocation. Mrs. Isabel Schmidt, music chairman, was the accompanist for community singing and guests were introduced by Mrs. Lily Chaboudé, chairman.

Mrs. Barbara Castle, district governor for the Illinois Young Republicans, spoke on the topic "Women Do Have A Place In Government." Other speakers were Dr. Kurt Glaser, D.D., Republican candidate for Representative from the 24th Congressional District, who discussed the Medicare plan, the situation in Laos, and tax reforms, and Mrs. Vernice Wortman, GOP State Central Committeewoman, 24th Congressional District, whose topic was "Your Government—What Do You Know About It?"

A skit entitled "Ellie Elephant," girl of the party, was given by Mrs. Chaboudé, Mrs. Vivian Davis and little Susan Davis.

The special prize was presented to Mrs. Ruth Kinder, and Mrs. Grace Pinkston received the award "Ellie Elephant" for outstanding service to the club during the year.

Announcement was made of the Flag Day festival June 14 at the YMCA when the club will serve a chicken and dumpling dinner from 11:30 a.m. to 7:30 p.m., and an executive board meeting scheduled for June 21 in the home of Mrs. Kohlbrecher.

LEAVING FOR EUROPE

Mrs. Lee Stevens, 2960 Iowa street, and Mrs. E. A. Roberts of Moro avenue will leave Saturday, May 26, by motor for Washington, D. C., where they will visit Mrs. Roberts' daughter, Mrs. Ray Griener, the former Connie Roberts and then will go to New York to spend several days before Mrs. Stevens sails May 29 aboard the Queen Mary for a visit to her birthplace in Motherwell, Scotland. She also will spend some time in Belfast, Ireland, with her cousin, Mrs. Frank Deasant, and in Dublin with other relatives. Short trips also may be made to other parts of Ireland and Scotland, and possibly France. Mrs. Stevens plans to return home July 12. Mrs. Roberts will remain with her daughter for several weeks.

Bargiel-Kozuszek Rites Are Held At St. Mary's

Miss Delores Lenora Kozuszek, daughter of Mr. and Mrs. Cammer Kozuszek of Nashville, Ill., and Edward Bargiel, son of Mr. and Mrs. Walter Bargiel, 1102 State street, Madison, were united in marriage Saturday morning at a nine o'clock nuptial mass at St. Mary's Catholic Church, Madison, with Fr. Sylvestro Micke hearing the vows for the double ring ceremony.

The bride was given in marriage by her father. She wore a bridal gown of silk organza and lace, with long tapered sleeves, a scalloped neckline, tight-fitting bodice and very full skirt trimmed with roses made of the organza near the hem of the skirt, which was worn over a hoop for added fullness. The fingertip veil was held in place with a crown of seed pearls, and the bride carried a cascade of white carnations with white streamers.

The bride chose a cousin, Miss Paulette Gogolek, as maid of honor, and Miss Rose Mary Bargiel, sister of the groom, Miss Lenora Kozuszek, sister of the bride, and Miss Jocile Kozuszek, a cousin, as bridesmaids.

They were attired in pale pink ballerina-length gowns featuring tight-fitted bodices, round necklines and full skirts. Picture hats of matching material were worn. They carried cascades of carnations. The maid of honor held shocking pink carnations, while the bridesmaids' flowers were tinted pink and white carnations.

The flower girl, Barbara Jean Vetz, a niece of the bride, wore

a full-length white gown similar to that of the bride. A wreath of white flowers was in her hair and she carried a basket of carnations.

Eugene Kozuszek, brother of the bride, served as best man, with Joe Kozuszek, a brother of the bride, Marie Konkell, a cousin of the groom, and Jake Maslak as groomsmen.

Ben Bargiel, brother of the groom, and Roger Dessette, usher, seated the guests.

Mrs. Kozuszek chose a sheath dress of brown embroidered material. White accessories complemented the attire. The groom's mother, Mrs. Bargiel, was in a light blue lace dress with full skirt. She also wore white accessories. Both carried bouquets of pink carnations.

Mrs. McGarran furnished organ music for the soloist, Mrs. Walter Tutka. "On This Day O Beautiful Mother" was sung as a basket of white carnations was presented to the Blessed Virgin by the bride.

A wedding breakfast was served in the home of the groom immediately after the ceremony to the wedding party and the families of the couple.

A reception was held at four o'clock at the American Legion hall in Nashville, Ill., with approximately 250 family attending.

The groom is a member of the U.S. Air Force, stationed at Chanute Air Force Base, Rantoul, Ill. He attended the Madison schools and his bride attended Nashville schools.

Sewer Rate Ordinance

(Continued from Page 25)

The minimum charge, and an officer of the East St. Louis and Interurban Water Co., said 99% of the homes in Granite City have five-eighths inch water meters on which the \$3.25 minimum rate is based. Those homes with larger meters generally have large air-conditioning units.

Same Total In Nameok Area

The sewer service charge will be for each connection onto the city sewer system. In the Nameok area, where householders are paying \$2.50 a month for sanitary sewers, they will be credited with that amount and it will be included in the \$3.25 minimum charge as was planned under the original program set forth by the citizens' committee. They will continue to pay the \$3.25 minimum charge after the Nameok sanitary sewer bond issues are paid and until the proposed \$300,000 revenue bond issue is paid.

Basic minimum rates for the proposed new bond issue are set on the size of water service meters. The \$3.25 minimum is for a five-eighths inch meter, \$4.40 for a one-inch meter, \$7 for a one and a half-inch meter, \$27 for a two-inch meter, \$38 for a three-inch meter, \$83 for a four-inch meter, \$185 for a six-inch meter and \$325 for an eight-inch meter.

The total monthly charge each also is based on the quantity of water used, with 56.25 cents per 100 cubic feet within the first 13,000 cubic feet. For the next 13,000 cubic feet, the charge will be 48.12 cents per 100; the next 27,000 cubic feet, 40.62 cents per 100; the next 27,000 cubic feet, 32.12 cents per 100; the next 27,000 cubic feet, 23.62 cents per 100; the next 27,000 cubic feet, 15.12 cents per 100; the next 27,000 cubic feet, 12.75 cents per 100; the next 27,000 cubic feet, 12.75 cents per 100; the next 27,000 cubic feet, 12.75 cents per 100.

Added Industrial Charges

The rate ordinance also includes charges for treated sewage or unpolluted water dumped into the sewers by industries, and all firms discharging treated sewage or unpolluted water will be required to retain flows in excess of 7,000 gallons a day for periods up to 24 hours on order by the city in the event of a heavy rain. This will result in several plants having to build reservoirs.

The monthly rates for treated sewage or unpolluted water, such as that used for cooling purposes, will be 5.62 cents per 100 cubic feet for the first 13,000 cubic feet; 4.81 cents per 100 for the next 13,000 cubic feet; 4.06 cents per 100 for the next 27,000 cubic feet; 3.21 cents per 100 for the next 27,000 cubic feet; 2.36 cents per 100 for the next 27,000 cubic feet; 1.51 cents per 100 for the next 27,000 cubic feet; 1.27 cents per 100 for the next 27,000 cubic feet, and five mills per 100 for all over 335,000 cubic feet.

In addition, industries will be charged for suspended solids in excess of 400 parts per million.

County Police Re-Elect Velter As President

All officials of the Madison County Police Officers Association were elected by acclamation at the annual meeting held Thursday at the Edwardsville Gun Club. Ronald Velter, of the Granite City detective division, was re-elected president.

Chief James Buckner of Wood River was named vice-president. Lt. Frank Schmidt, Alton, secretary; State Police Capt. Emil Toffant, treasurer; Sgt. James Morgan, Madison, first sergeant-at-arms; and the following directors were elected: Granite City Assistant Chief Floyd Jell; Glenview Detective Tiedel Jr.; Deputy Sheriff Clyde Tiedel Jr.; Madison and Alton Sgt. Leonard Scheile.

Whereabouts Of Missing GC Boy, 15, A Mystery

The whereabouts of 15-year-old James Henry Rehms Jr., who disappeared from ninth grade classes at Coolidge Junior high school two weeks ago on May 8, remain a mystery. His father and stepmother have had no word from him since he disappeared. They have no out-of-state relatives. Anyone with information is asked to notify local authorities or the family.

The monthly rates for the first 10 tons will be \$18.50 a ton; the next 40 tons, \$16 per ton; \$13.50 per ton for the next 100 tons and \$13 a ton for all over 150 tons.

The rate ordinance specifies that sewer users dumping untreated water into the lines will be required to install meters. This pertains to firms with wells as a source of supply. Also, firms discharging untreated water which is not dumped into the sewers are to be given proper credit. An example of this would be a bottling firm which uses water in its product for consumption elsewhere.

The effective date for the charges is not expected to be inserted until tonight. It will be based on the effective date of the revenue bond ordinance.

Central Ties For Second In 22-Team Collinsville Meet

Central grade school finished in a three-way tie for second place in the 22-team invitational track meet hosted Friday evening by Collinsville's Webster Junior high school.

Favorite East Alton won the title with 27 points. Central finished with 21 1/2, together with Cahokia and West JHS of Alton. Len Revelle of Central won the 440 in record-breaking time of 56.4, and was fourth in the broad jump. Gary Johnson was second in the discus and shot put. Terry Casey fourth in the discus and the Central 440-yard relay team finished fifth.

Willis Farless of Coolidge was another local winner, finishing

Rockettes Bombard Venetians, 14-0

The loss extended the Venice record at 1-1. Collinsville is 2-0. The Rockettes got to starter and loser Sandy Klaas for nine runs in a decisive fourth inning. Joan Moserang hurled the final two innings for P. E. "Pop" Meyer's club, which plays Alorton Thursday night at Lee Park. Game time is 8:15.

first in the shot put. Coolidge scored eight points in the meet and Prather JHS one on Craig Nighthosian's fifth-place finish in the hop-step-and-jump.

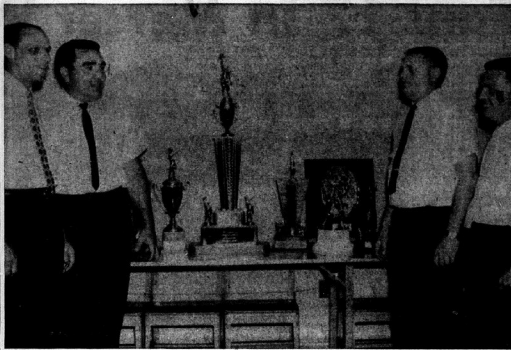

Warriors Fall Back To Conference Cellar; Can Still Derail Maroons

Edwardsville's Tigers assured themselves of no less than a tie for second place in the final Southwestern conference baseball standings here Friday afternoon by scoring their second win in less than a week over Granite City high school.

The Tigers improved their SWC mark to 3-3 with a 7-3 victory at Wilson Park. It gave Dick Hutton's club a clean sweep in three outings against the Warriors. The Bengals won the district championship from GCHS last Wednesday in Collinsville, 4-2.

Granite City fell to last place (2-9) in the conference standings, and has one game remaining — with Belleville. The contest was rained out here Thursday afternoon and will be rescheduled, probably Friday.

Can Gum Up Works That game will give GCHS, long out of the conference race, one final opportunity to throw a money wrench among the three SWC title contenders. The Maroons stand 8-2, but right now are more interested in a regional baseball title. Belleville won the Dupo district last week, and has an SWC date with Collinsville remaining. East St. Louis also stands 9-3 in Southwestern play and, with

Sectional, Regional J. Sports Jamborees Are Scheduled Here

Granite City is one of eight sites in Illinois picked for a sectional meet in the annual Illinois Junior Sports Jamboree conducted by the Illinois Youth Commission. John A. Troike, chairman, said today.

The jamboree is a statewide track and swimming program for boys and girls from 10 to 15 years of age, and is sponsored by

the Youth Commission in cooperation with the Jaycees. Date of the local sectional is July 21. The Granite City Jaycees will stage a regional jamboree track meet here on May 26. First-place winners in each event will become eligible to compete in the sectionals. A total of 88 cities have scheduled dates for local meets thus far, according to William Moore, youth commission staff member who coordinates the jamboree.

Winners in events in the Granite City, Chicago, Rock Island, Evanston, Jacksonville, Aurora, Marion and Monticello sectionals will qualify for the state jamboree in Sterling Aug. 24 and 25.

Events Scheduled Boyd Presley, chairman of the Granite City regional jamboree said events will include the 50, 100 and 100-yard dashes, 220 and 440-yard relays, broad jump, high jump, baseball throw for distance and hop-skip-and-jump. Contestants will be divided into three age groups: midget (10-11), junior (12-13) and intermediate (14-15). Separate City Jaycees members.

Tennis Letters Awarded To Six At Madison High

The first varsity tennis letters ever to be awarded at Madison high school have been presented to four senior and five underclassmen.

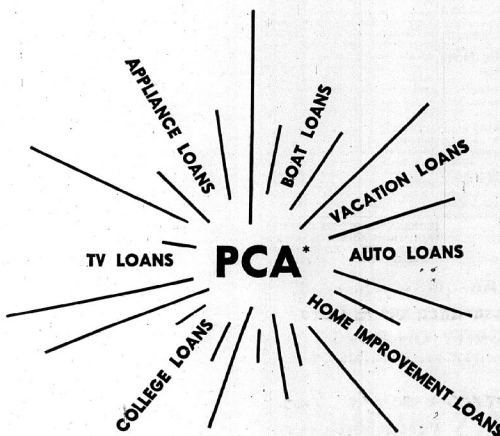

Madison compiled an 8-3 won-loss record in its first full year of varsity court competition under Coach Bob Barnhart. "We only had seven boys out this year, but that was enough to play No. one, two and three singles and No. one and two doubles," he said.

Awarded varsity letters were senior Jim Davison and underclassmen Len Broyles, John Summers, Ralph Rideout, Larry Lux and John Oski. The team's seventh member, Mike Moss, broke an ankle early in the season and did not play enough to earn a letter.

Trojans Keep Baseball Title Hopes Alive With Win Over Dupo; Play Cahokia Tuesday

Madison and Dupo, which were scheduled to open their respective baseball seasons "way back on April 2 with a meeting in Madison, finally got the game in the record books Friday, and the Trojans kept alive their hopes of a first-place tie in the final "Midwestern" conference standings with a 5-3 win.

Coupled with Bethalto's 14-5 win over Cahokia Thursday, Madison's victory enabled Earl McClanahan's club to move into a tie with Roxana. Both have 6-0 records with one game remaining to be played.

Madison will meet Cahokia at home tomorrow afternoon, while Cahokia plays Highland (5-2) today.

The Trojans managed only seven hits off losing pitcher Joe Reynolds Friday, but bunched four of them in the fifth inning to score three insurance runs.

As it turned out, the extra

Ceremonies, Parade Open Boys' Ball Season Saturday At Mitchell Diamonds

Expansion of the Mitchell Community Sports Program for boys was announced during the opening ceremonies Saturday afternoon at Mitchell school by the director, Marion Sparks.

"Instead of eight teams, we'll probably have 12 and we'll need a fund drive to buy uniforms for the additional boys. We have over 160 enrolled in the program," he told the parents who gathered in the school gym for a pot luck lunch.

A band furnished by the Musicians' Union led the opening ceremony parade around the school and two diamonds, with program officials and the boys participating. The band leader was Gordon Reuther.

At the start of the opening games, the band marched mid-field to play the National Anthem. Sparks introduced the program directors, team managers, umpires and other officials and paid tribute to the Mitchell Kiwanis Club, Mitchell Democratic Club and Mitchell Park and Athletic Association for sponsoring the program.

Barnes, Logan Reach Second Round; Title To Evanston

Evanston won the singles and doubles championships and the team title Saturday in finals of the Illinois high school tennis tournament at Champaign.

Mike Barnes and Bill Logan, representing Granite City high school as district doubles winners, were eliminated in the second round after topping Rockford East's H-jin and Stafford 7-5, 6-3, in their opening match Friday.

Even and Everburg of New Trier, Ill., No. 2 seeded doubles team, topped Barnes and Logan in the second round, 6-3, 6-2. But the New Trier combo itself was eliminated in the semifinals.

Evanston's Joyce and Scott, seeded No. 3 in doubles, won the title Saturday after rain had postponed several Friday evening matches. "I'm sure Povey's, the defending singles champion, won the title for the second straight year."

Logan was hampered by a muscle strain in his right side. The lack of practice in the week prior to the state finals resulted in him being off form, Coach Dick Harmon said. "As it was, we were the only first doubles team (district winner) to play another first doubles team in the first round."

Park Team Sweeps Two Saturday

Granite City's park district Class A softball club opened the season with a double victory Saturday night at Wood River, edging the Alton Chiefs 2-1 in a 12-inning thriller, with Ray Huggins all the way for the winners, and then taking the nightcap 11-0 in a free-swinging affair with the same club.

A walk to Babe Champion, sacrifice by Ray Huggins and Scott Stegemyer's run-scoring single in the top of the 12th broke a 1-1 tie and enabled Huggins to put up the victory on a six hitter. Huggins struck out 10 and walked only two. Arnold Crockett, who allowed 12 hits, was the loser.

In the wild second game, Champion, Mary Brokaw and Art Borchers each collected two hits for the park district, which took an 11-8 lead into the last inning and struck out a Chiefs' rally one run short.

Dale Myers weathered a ninth-inning Chief attack to get the win. The club also collected nine hits off losing Cliff Widom, including a double by Chuck Weiss and a triple by Norm Jenkins.

Moose Keep Rolling With Fifth Win

Bob Vetter, never better, struck out 17 Roxana batters, 14 of them in the first six innings, to hurl Mercer Funeral Home to a 6-0 shutout win over the Merchants at Wilson Park yesterday afternoon in one of five Southwestern Illinois Inter-City Baseball league games.

For the second consecutive weekend, local clubs scored a sweep in I-C activity, as Granite City Sacred Heart nudged arch rival Collinsville on the losers' diamond, 6-3.

Mercer's win enabled the Olie Miller club to hang onto its three-way tie for first place in the league's Blue division. Sacred Heart took over possession of second place in the Red loop. The Hearts had been tied with the Boosters for the turn-of-up spot.

Red division leader Moose Lodge still undefeated this season, continued to ride roughshod over all opposition, scoring its fifth win at the expense of Maryville, 5-1.

4 Games, Parade, Ceremonies Mark Opening Of Park Boys' Baseball Play

Fifty-one member teams in the Granite City park district's boys' baseball program, their managers and representatives of the city, Granite City Engineer Dept. and park district participated in a season-opening parade and ceremonies at the Wilson Park diamonds Saturday afternoon.

The season opened officially following ceremonies, with four games played in four of five age divisions.

Team members made their traditional march on the ballparks, interspersed with convertibles carry-

The children are Linda Jo Fisher, 10, and Gayle Gagich, 4. Miniature rubber baseballs were thrown to children along the route.

Wes Griggs 4th In High Jump Finals

Madison's Wesley Griggs took fourth place in the high jump finals of the high school track and field meet in Champaign Saturday when he cleared 6-1.

"He looked real good Friday in the qualifying round," said MHS track coach Glen Pickering. "The boys had to clear 6-0 for the finals, and he looked like he went 6-4 when he cleared the bar at six feet."

Griggs' fourth-place finish gave Madison two points in the final standings.

Ken Griggs, MHS's other qualifier for the state meet, broad-jumped 21-9 Friday, but it was not good enough to get him into the final round. Alton tied for fourth place.

Mother-Daughter Banquet, Party

The annual mother-daughter banquet and party of the Ladies Aid Society of Concordia Lutheran Church was held Sunday evening at the church with approximately 150 members and guests attending.

The candlelight tables were lovely with their decorations of spring flowers, place mats and favors made by Mrs. Cliff Halbert, who headed the decorating committee. The favors were spring "bonnets" in a variety of designs and colors.

Mrs. Laverne Rapp, vice-president, welcomed the guests and Gordon Waterman, organist and choir director, served as toastmaster.

Entertainment consisted of songs by Toni Hunter, accompanied by Gloria Grotenfend, acts of magic by Roger Sylvester of Concordia Seminary, and group singing with accompaniment by Lois Medlin.

Mrs. Pierson Is Hostess For Club

The Di-Etta pinocle club met Thursday evening at the home of Mrs. Hazel Pierson, 2109 Illinois avenue.

The winning scores were held by Mrs. Mary Pierson, Mrs. Janet Cross, Mrs. Florida Batson and Mrs. Florence Hagmann.

Others present to whom refreshments were served were Mrs. Ruby Logan, a guest, and Mrs. Betty Sigite and Mrs. Irene Mooshegan. The next meeting will be with Mrs. Batson, 2605 Forest avenue, May 23. Plans were made at the meeting for a dinner at Hotel Sheraton-Jefferson and a theatre party May 29.

Tent 92, DUV, Dedicates Flags

Aunt Becky Young Tent 92 Daughters of Union Veterans, met Thursday evening at the American Legion Home with Miss Florence Kestler presiding.

Plans were made to contribute a 30-star flag to Protestant Welfare Agency. The presentation will be made by Mrs. Irma Taylor, department president of Illinois, and Mrs. Grace Bourbon, patriotic instructor.

Also discussed were plans to attend the state convention in Springfield June 15-18. The Tent's new flags were dedicated in a ceremony conducted by Mrs. Opal Landman, assisted by the color bearers, and the patriotic instructor.

Flags will be placed on veteran's graves Memorial Day with Mrs. Bourbon in charge of arrangements.

After the pledge to the flag, which closed the meeting, refreshments were served by the hostesses, Mrs. Irene Haug and Mrs. Landman. The prize for the evening was won by Mrs. Violet Kassabaum.

E. Chapman, assistant secretary; Mrs. Rex Niles, president; Mrs. Christ Louis, retiring president; Mrs. Theodore C. Aufderheide, treasurer; and Mrs. Harry T. Lewis, vice-president.

Miss Betty Ann Russell And Donald Cook Wed Saturday

First Baptist Church, 21st Street and Delmar avenue, was the scene of the wedding Saturday evening of Miss Betty Ann Russell, a daughter of Mr. and Mrs. Joseph Russell, 1138 Meridian street, and Donald Cook, a son of Mrs. Margaret Cook, 2245 Rock road.

Rev. George Sagen performed the candlelight ceremony at 7 o'clock before the altar decorated with bouquets of white gladioli and pom poms. Wedding music was furnished by Mrs. Phyllis Martin, organist.

Given in marriage by her father, the bride wore a gown of white lace styled with a fitted bodice, a scalloped neckline and long light sleeves. Her train ended in a chapel train. A veil of tulle was held in place by the bride's hair.

The regular schedule of meetings will be resumed in the fall.

Miss Burnett And Pfc Alonzo Moore Wed Saturday

Miss Sandra Burnett, a daughter of Mr. and Mrs. Royal Rapp, 2013 Center street, was married to Pfc. Alonzo Moore, son of Mr. and Mrs. Elmer Moore of Green Mount, Ky., Saturday evening at the home of her grandparents.

The bride was attended by the bridegroom's sister, Miss Merceda Moore, and his brother-in-law, John Redekel, was best man.

For the wedding, Miss Burnett selected a street-length sheath dress of white brocade cotton. She wore a short veil held in place with a crown of seed pearls and a lavender orchid corsage.

The bridegroom is stationed at the Engineer Depot and the newlyweds will live at 2131a Iowa street. The former Miss Burnett holds a secretarial position in a St. Louis shoe firm.

Guests from out of town besides the bridegroom's parents and his sister of Kentucky, were his brother-in-law and sister, Mr. and Mrs. Radecki of Fort Wayne, Ind.

St. John Church Centennial To Feature Flag Procession

One of the major celebrations of the Centennial Year of St. John United Church of Christ, 2901 Nansook road, will be held Sunday with Dr. James Wagner, a former co-president of the United Church of Christ and vice-president of the World Alliance of Reformed and Presbyterian Churches as guest speaker.

To dramatize the world outreach of St. John United Church of Christ a colorful flag procession is being planned for Sunday. Although the United Church of Christ has missionaries in 26 countries, flags are available for only 10 countries.

The older church school classes have been given the name and address of a missionary in one of these 26 countries and are in contact with him. These classes have selected two from their class to march in the colorful centennial flag procession. One student will carry the flag of the particular nation in which their missionary is serving and the other student will carry a banner bearing the name of the nation.

The students names and the nations they will represent are: Jordan, Janet Surbey and Gary Guiney; Ecuador, Jimmy Anderson and Linnea Morger; Honduras, Ronald Laboy and Kenney Bolton; Mexico, Robert Selmsley and Brenda Rapp; India, Charles Rivenburgh and Lois Ann McQuinn; China, Bill Dicksworth and Dennis Laboy; China, Tommy Feig and Janet Kelleher; Japan, Bonnie Kellner and Sharon Chinn; Philippines, Cetus Feig and Linda Bertrand; Germany, Billy Willard and Marie Gehl; Greece, Lynn Willard and Carol Feig; Italy, Neil Podoba and Arthur Schreiber; Ghana and Togo, Donna Johnson and Jackie Grove; South Africa, Ray Snelson and Marvin Fitzpatrick; Turkey, Melba McFalls and Cheryl Stille; France, Scott Koles and Marie Willis.

Dr. Wagner will speak and the youth will participate in the procession at both the 9 and 10:30 a.m. worship services on Sunday. The public is invited to attend. In the afternoon from two until four o'clock an informal reception will be held for the speaker and he will share some of his impressions of the recent New Delhi, India, meeting of the World Council of Churches. Refreshments will be served by the Womens Guild.

Dr. Wagner began his career as a newspaper reporter for the Harrisburg, Pa., Telegraph. He graduated from Lindley College, Findlay, O., and finally received a

GUEST SPEAKER, Dr. James Wagner, who will speak Sunday, May 27, at one of the major Centennial Year celebrations at St. John United Church of Christ, 2901 Nansook road. Bachelor of Divinity degree from Lancaster Seminary, Lancaster, Pa., and served pastorates in Pennsylvania before being elected president of the Evangelical and Reformed Church in 1953. One of the major interests and concerns of Dr. Wagner has been his consistent efforts to promote closer cooperation among all Christian churches. His efforts to alleviate the suffering in Germany during post-war years were recognized by the German government in 1958 by presenting Dr. Wagner with the Knight Commander's Cross of the Order of Merit of the Federal Republic of Germany. Another vital concern of Dr. Wagner has been his interest in the progress and development of missionary work. During the course of the past ten years he has visited personally all the various missionary stations supported by the former Evangelical & Reformed Church and has made several world tours of the trouble spots of the world.

2 Surplus Sales Scheduled At Depot

The Defense Surplus Sales office of the Defense Supply Agency, is conducting two sealed bid sales within the scope of the major surplus property at the Granite City Engineer Depot on June 18 and June 21 at 10 a.m. The sale on June 18 is scrap lumber and June 21, is scrap paper. Property for both sales are located at Granite City Engineer Depot, and inspection will be between the hours of 9 a.m. and 3 p.m. May 28 to June 19 on the scrap paper, exclusive of Saturdays, Sundays and Holidays. Public May Inspect Survival Caravan In Madison Today

The Amvets Survival Caravan, driven by National Commander Edwin P. Fifeleski, will be at the Madison Recreation center, Seventh street and Lee avenue, at 7 p.m. today. The caravan dramatizes America's capabilities of survival as a deterrent against nuclear war.

Commander Fifeleski and his wife, Jewel, are attempting to alert the American people to the need for greater participation in civil defense. Approximately 1600 Amvets local posts and state departments are cooperating with the national commander on the trailer caravan which features a display model of a typical family fallout shelter.

The caravan is visiting every state capital in the continental United States. It got under way last Nov. 10 in Boston at a ceremony at the Old North Church where Paul Revere began his ride 165 years ago.

The Amvets leader, through his public remarks along his 60,000-mile route is pointing out that there is no single solution to the problems of survival. Each family and each community, he says, has an overriding obligation in conjunction with local civil defense authorities to decide the best means of survival for the most people in the event of enemy attack.

"As organized veterans of traditional war," Commander Fifeleski says, "Amvets may well be the last of our kind. For in the aftermath of any future war every man, woman and child will be a veteran of nuclear combat. It is our principal purpose, therefore, to help prevent the possibility of war by insuring our ability to achieve maximum survival."

A Chicago banker and lawyer, Commander Fifeleski assumed the office of Amvets national leader last October. He was elected at the 17th annual convention of the American Veterans of World War II and Korea in Louisville, Ky.

Commander Fifeleski has been a practicing attorney for 22 years and is at the present time president of four corporations, a director of three others, head of his own law firm and chairman of the board of Jefferson Bank in Chicago.

Bi-State's Transit Report Due Soon

A new report on the economic feasibility of acquiring 15 private bus firms in Illinois and Missouri to develop a metropolitan area mass transit system is expected within 10 days, it was announced over the weekend by R. E. Simpson Jr., executive director of the Missouri-Illinois Bi-State Development Agency.

Consulting engineers of W. C. Gilman & Co., have prepared an appraisal of the private bus firms, submitted in a preliminary report April 25.

STARTING LAST NOVEMBER at the same point where Paul Revere began his famous ride, Amvets National Commander Edwin P. Fifeleski is touring the nation with a survival caravan. It will be in Madison tonight.

Noonday Optimists Host Rotarian As Speaker

About 30 members of the Noonday Optimists club attended the weekly meeting at the Granite City Elks club Thursday.

Ernest E. Tsovosky sr., owner of Home Nursery in Edwardsville, was the guest speaker. He attended with his wife. The program consisted of color slides of Hawaii which he took in May 1961 when returning from Tokyo where he was a delegate to the Rotary International convention. He represented the Rotary clubs of Madison, Edwardsville and Stanton at the convention. He is a past president of the Edwardsville Rotary club.

Being in the nursery business, Tsovosky took many pictures of Hawaiian flowers and other plant life. He and his wife spent a week touring the Hawaiian Islands.

Claude Cochran was program chairman.

Infant Girl Eats Small Quantity Of Ant Poison

Ant killer that was on a piece of paper under a living room and table was eaten Saturday evening by an 18-month-old Venice child who was given emergency treatment at the local hospital and St. Louis Children's Hospital before returning home.

The child, Cynthia Cockrell, daughter of Mr. and Mrs. William Cockrell, 203 Ashbrook street, ate only a small quantity of the poison, and her parents said today her condition is good.

Rabies Clinic Open In GC Wednesday

A rabies inoculation clinic will be held from 7:30 to 9:30 p.m. Wednesday at the city garage, 19th and Benton streets on Wednesday. Dr. L. H. Holt, Granite City 26, will conduct the clinic. The fee is \$2.50 per animal.

Inoculation for rabies is required before a city dog license will be issued. Licenses are now due and may be purchased at the office of the city clerk in Granite City. Any dogs picked up as strays will have to be licensed and inoculated before owners may claim them.

Pack Eight Makes Plans For Summer Activities

Summer plans were made at a meeting of Cub Scout Pack Eight at the First Presbyterian Church Thursday evening. John Helton, cubmaster, presided and conducted an awards presentation.

Den Two, led by Mrs. Dolores Noe, held a flag ceremony. Helton announced that a fishing trip for fathers and cubs will be held at a private lake in Troy May 26. The group will leave the church at 9:30 a.m., and everyone is to take a sack lunch.

The cubmaster asked that all cubs fly flags at their home on Flag Day June 14, and asked them to remind their neighbors to fly flags then. He gave a brief talk on bicycle safety and told the cubs that they are to observe the same road rules as motorists, and should have a bicycle safety check in much the same manner as cars are inspected.

A "fly making" demonstration was given by Vernon Sappington of the Wesleyan den. The cubmaster presented a achievement award to Larry Huffin, Brad Reinhardt, Richard Lesko, Roger Short, Randy Fowler, Gary Stutch, Mike Mobley and Ricky Sappington.

Two new den mothers, Mrs. Roberta Huffin and Mrs. Mary Brown, were welcomed into the pack by Helton in a ceremony. Mrs. Noe announced that her den, which performs as a kitchen band, will appear at the Logan school pack meeting May 22 at 7 p.m.

The closing "living circle" ceremony was given by Mrs. Brown's unit. Den Four, and refreshments were served by Den Seven, directed by Mrs. Edith Niseporek. Den Seven also won the trophy for the largest percentage of parents attending the meeting. On June 21, the pack will hold an outdoor meeting at Wilson Park and there will be a pot luck supper.

Commencement Exercises At Madison HS Set For Friday

Dr. Cameron W. Meredith, head of the Southern Illinois University education division, will be the commencement speaker at Madison high school at 8 p.m. Friday, when 88 seniors will be graduated.

The exercises will begin with the procession of the senior class, followed by the presentation of the colors by Venice-Madison American Legion Post 307. After the invocation by the Rev. Engelbert Bienen, O.F.M. of St. Mary's church, there will be welcoming remarks by the class president Paul S. Czervinski, followed by a trumpet solo by Michael Graves, accompanied by Mrs. Valerie Stevens.

Dr. Meredith will speak on the subject, "What Can Man Be?" After brief remarks by Supt. Wensel L. Brown, Principal John L. Falchert, will present the class to John Belloff, president of the board of education, who will present the diplomas.

Following the class song by the graduating students the benediction will be said by Fr. Bienen, the colors will be retired by the Legion and there will be the recessional of the graduates.

The speaker was born in Norwalk, Ontario, Canada. He attended Flint junior college at Flint, Mich., and the University of Michigan at Ann Arbor where he received his bachelor of arts degree in 1939.

After four years in the U. S. Army Air Force during World War II he returned to the University of Michigan where he earned both his master of arts degree and his doctorate.

He taught in the public schools in Michigan and between 1950 and 1956 he taught at Northwestern university where he attained the rank of assistant professor. Before joining the SIU faculty in 1959 Dr. Meredith served as a professor at the State University of New York at Oswego.

He is past president of the educational psychology division of the National Society of College Teachers of Education. He established a complete accreditation program for the American Association of Nurse Anesthetists. He is a member and contributing editor of the 1962 yearbook committee of the Association for Supervision and Curriculum Development.

His March is listed in "Behavioral Men in Science," "Who's Who in Education," and "Who's Who in the East (1959)." He is a member of a number of professional and learned associations and societies.

THE MAN OF THE WEEK

"I have money for everyone!" says friendly manager ANDY IMPASTATO

"If like people and want all the folks here and in nearby towns to come in and get acquainted. You'll like me — and I've got plenty of cash for you — any amount from \$10.00 to \$500.00 with payments to suit your income."

"If you wish, try a Get-Acquainted Loan of \$100.00. Walk out with the cash in your pockets in 10 minutes. If your car payments or other payments are too high, I'll try to cut them in half and advance you additional money besides. I'll pay your bills, make your payments smaller—have only one place to pay. Phone first, if you wish. Easy as A-B-C. Just call up, tell me the amount you need, then stop by for the money. Ask for me."

Wayne Brown Stricken Suddenly, Dies At 60

Wayne F. Brown, of 1559 State street, was dead on arrival at St. Elizabeth Hospital at 9 p.m. Thursday after he was stricken with an apparent heart attack.

The family said he had not been ill, and the attack was sudden. Mr. Brown was 60 years of age.

A 20-year resident of Granite City, he was born at Mulberry Grove. He was a truck driver and a member of Teamsters Union Local 525, Alton.

Survivors include his wife, Pauline, two daughters, Mrs. Olive Short, Mulberry Grove, and Mrs. Irene Gum, Valparaiso, Ind.; a son, Norman Brown, Mulberry Grove; a step-son, Eugene Spray, Granite City; a sister, Mrs. Goldie Wilmer, Decatur; a brother, Harry Brown, Quincy; 12 grandchildren and two great-grandchildren.

A daughter, June Brown, and three brothers and three sisters preceded him in death.

Funeral services were conducted yesterday afternoon at a Mulberry Grove funeral home, followed by burial there.

An obituary notice appears elsewhere in this issue.

DUV Memorial Service Set For 9 A.M. May 30

Memorial Day services at monuments on the city hall lawn will be conducted at 9 a.m. Wednesday, May 30, by Daughters of Union Veterans Tent 90, instead of the later hour as previously announced.

Veteran organizations are being invited to participate and a detailed program will be announced later.

Police Seek Information On Bogus Salesman

Additional information is being sought by Granite City Chief of Detectives James P. Lowerd concerning a bogus salesman who was in this area early in May saying he represented an Indianapolis firm and selling electrically-operated doorclozers for restaurants in service stations.

"We know he made a sale to one local station, for the grocer get in touch with us," he added.

4-H CLUB MOTHER-DAUGHTER SUPPER

A mother-daughter covered dish supper was enjoyed Thursday by the Tri-Hi club at St. John United Church of Christ, with the leader Mrs. Raymond Tadlock.

After the supper, a meeting was held so the mothers could learn how a 4-H club functions. Demonstrations were given by Barbara Lerch, entitled "Lasses with Glasses"; Elaine Tadlock, "The First Skirt"; Bernice Massie, "Salads"; Diane Tadlock, "Flower Arrangements."

Cliff Blankenship, safety director at A. O. Smith Corp., presented a dummy named Rausci. Anne and demonstrated the new form of mouth-to-mouth artificial respiration. Each girl was shown how to administer the method, and part of the girls succeeded.

Taking part were the above mentioned and Sandra Kelly, Judy Barylske, Barbara Fifield, Laura Massie, Debra Paulett, Claudia Tonsor, Nancy Wittenborn, Linda Kuntz, Donna Rapp, Sandra Carlisle, Linda Koger, Vickie Couch, Susan Jandusky and Judy Friedman and the girls' mothers.

The club meets the first and third Tuesday of each month, but the next meeting will be May 29 at the church.

MOTHER HOLDS FIRST MOTHER-DAUGHTER EVENT

The first mother-and-daughter banquet of the Good Shepherd EUB Church was held Friday evening at the church.

Mrs. Virginia Evans, wife of the pastor of the First Assembly of God Church, was guest speaker.

The toastmaster was Mrs. Evelyn Hoenicke, and Mrs. Thompson gave a reading entitled, "Welcome to Daughters." Jackie Thompson gave the daughters' response.

A reading, "Little Boy Blue" was given by Mrs. Bill Stonum, and prizes were awarded to Mrs. Tillie Little for the most buttons on her dress, Skelly Hurt for being the youngest daughter, Miss Linda Pinkerton for being the oldest daughter and Mrs. William Stonum Sr. for the mother married the longest.

After the banquet, Joanne Pollock sang a song entitled, "Mother Knows," and a piano duet was played by Diana and Brenda McClanahan. The benediction was by Mrs. Dorothy Pollock. The banquet was served by members of the church, and 61 mothers and daughters were present.

Four Plead Guilty In Venice Hearings

Four men charged before Venice Police Magistrate Wesley Edwards entered guilty pleas at hearings Saturday.

Hamilton Jones, 48, of 9084 Jefferson street, Madison, was fined \$10 for careless driving and \$5 for driving without a license on May 15.

Charged with careless driving on May 15, Benjamin Jones, 28, of 1038 Logan street, paid \$20 fine. Lloyd Perrin, 18, of 2207 Oak road, paid \$15 fine and costs for passing a stop sign and driving without a license on May 15.

Phillip White, 19, of 1224 Logan street, Venice, paid \$20 in fine and costs on charges of careless driving, driving without a license and destruction of property on May 15.

Two Venice boys, aged 13 and 14, who were charged with driving without licenses on May 15, were reprimanded and released.

Gas Stove Flares

A valve fell out of a gas kitchen stove at a home at 1223 Grand avenue at 7:20 p.m. Thursday, causing the pilot light to flare up. Madison firemen responded, shut off the gas supply and replaced the valve. There was no damage.

Venice High School Will Graduate 18 Thursday

Graduation exercises for the 18-member senior class at Venice high school will be conducted Thursday in the new school gymnasium, beginning at 8 p.m.

Speakers will be Thomas Butler, Altus, and the Rev. A. Sadler, pastor of the Venice Baptist Church.

Rev. Basil M. Butchko, pastor of the Holy Assumption of Blessed Virgin Mary Russian Orthodox Church at Bluff, gave the invocation and benediction.

The school chorus presented two selections, and solos were sung by Bill Barritt and Mike Lopez. The school band provided the procession and recessional.

Members of the class are Jerry Baggett, Frank Bortel, Carolyn Chowning, Donald Devany, Jane DuBoise, James Ebersole, Jack Field, John Gonterman, DuBuisson, Harry Phyllis Hawkins, Barbara Kosh, Frances Mangiaracino, DeLores Ann May, Daniel Kod, Catherine Price, William

PD Problems, Citizens' Roles Are Discussed

Vandalism and a shortage of personnel are two of the major problems faced by the Granite City police department, Chief Raymond Willardet told members of the Daybreak Optimist club in a speaking appearance morning at the YMCA.

Chief Willardet said recommended police standards call for one officer for every 800 residents, and that the local force falls 14 men short of meeting the standard.

He told the Optimists that and other residents can aid the police department by reporting all suspicious persons to the department, any unusual soundings, breaking glass late at night, and by obeying traffic laws and installing in their children a respect for other people's property.

A continuous training program is carried on for members of the force, he said. Officers attend special police schools and are required to file their weapons for record once a month.

Chief Willardet was introduced by program chairman Paul Lueders, Club President. Fred Schwartz presided and reported on first day activities at a district convention of Optimists in Alton, which he attended.

A guest, William Justice, was introduced.

West Granite Depot Open House

Over 300 persons attended the Granite City Engineer Depot open house Saturday, a depot official said. The event was in connection with the annual Armed Forces Day celebration.

The visitors saw a variety of weapons and equipment displays depicting the missions of the depot. The day closed with a formal ceremony at 4:15 p.m.

The Town and Country Cousins club met Wednesday with Mrs. Frances Black. Dinner was served and games were played.

Members present were Nedames May Mathis, Iva Bishop, Gladys Green, Opal Sampson, Nell Hicks and Mavis Moore. Guests were Betty Ursey, Sharon Copeland and Magdalene Jones.

A building fund dinner held Wednesday evening at Dewey Avenue Methodist Church was well attended, being sponsored by the Sisterhood. Rev. Commodore Grove offered the invocation.

Others present included Mrs. Clara Forrester. Refreshments were served by Mrs. Lenings and Mrs. Settle.

TRUTH CIRCLE CLASS

ELLECTS MRS. HILL

The Truth Circle class met Friday evening at Dewey Avenue Methodist Church with group singing held and Mrs. Zetina Hornbuckle as pianist. Mrs. Alma Davis and Mrs. Alma Davis offered prayer.

Roll call was answered with Bible verses to be sent to shut-ins.

Readings were given by Mesdames Clara Belle Humphreys, Naomi Woods, Gusta Pendleton, Julia Hill, Beulah Spikes and Alma Davis and Miss Nellie Kimberlin.

Mrs. Hill was elected as president. Mrs. Minnie Rowley vice-president, Mrs. Tennie Webb secretary and Mrs. Minnie King treasurer. Refreshments were served by Mrs. Gusta Pendleton and Mrs. Naomi Woods.

16TH BIRTHDAY

Kathy Cox was honored on her sixteenth birthday Friday night with a surprise party at the K. of P. Hall.

The gift table was decorated with yellow and white streamers, and the center of the table held a large cake also decorated in yellow and white.

The honoree received many gifts. Refreshments were served, and dancing was enjoyed. The party was given by her sisters, Mrs. Carole Canady and Miss Barbara Cox, who were assisted by Phyllis Hagnauer and Linda Taylor.

Others present were Donna Burton, Lella Veron, Harold Clements, Kenny Fowler, Diane Houlihan, Tom Tindell, Glen DeCade, Janet Buske, Jim Rains, Carole Randolph, Roscoe Clapper, Karen Farley, Maureen Horner, Carl Lind, Linda Paul, Jerry Broadwater, Betty Rains, Don James, Jim Horton, Letta Marmion, Steve Moore, Bill Scarsdale, Lynda Canned, Mrs. Virginia Marmion and Mrs. Carl Cox.

Boys' Cries Bring Neighbors; Suicide Attempt Thwarted

Tragedy was averted Thursday night at the home of Jack Frey, 883 Kirkpatrick Homes, because his baby boy cried.

Neighbors investigated and saw Frey through the window. He was slumped over the kitchen gas range and the doors were locked.

Granite City police were called and patrolmen Kelly Hodges and Robert Astorian were dispatched to the scene. They smashed a door glass in an attempt to open the door from the inside. Finding they were unable to open the door they had to force it. They then found it had been nailed shut. Frey was unconscious in the gas-filled house with the burners turned on.

Police also found Richard Frey, 2, in an upstairs bedroom. The boy and his father were taken to St. Elizabeth Hospital. Mrs. Frey had been living in Calhoun, police said. The boy was turned over to her by hospital authorities Friday when he was found to be unharmed, police said.

Frey was transferred to Missouri Baptist Hospital in St. Louis. Police listed the case as attempted suicide.

PUPILS HONOR MRS. JOHNSON

A surprise party was held Friday morning by 80 boys and girls and a number of their mothers honoring: Mrs. Harry (Grace) Johnson, a kindergarten teacher at the Harris school, who is retiring at the close of this term.

Mrs. Johnson was amazed that such a large number of children could keep the surprise a secret for a number of days. They assisted their mothers and Mrs. Harry (Irene) Cook, also a kindergarten teacher at the same school, in the planning. The children were of the morning classes of the two teachers.

Mrs. Cook's pupils presented Mrs. Johnson with a floral centerpiece, while the children of Mrs. Johnson's room presented her with a crystal setting for her buffet.

Mrs. Johnson started teaching at Madison Junior high school prior to her marriage to Miss Grace Womack. Since then she has taught handicapped children of the Madison school system and the kindergarten. She has taught for 18 years in the Madison schools.

A large cake baked by one of the mothers and coffee were served by the teachers and personnel of Harris school. Mrs. Zevels Pingel had an orchid lawn in for Mrs. Johnson from Hawaii. Mrs. Pingel's sister still resides in Hawaii and was told of the occasion.

Mothers taking part were Mesdames Kathryn Jones, Billie B. Smith, Delores Bantuff, Pauline Pinkley, Mary Lassen, Mimi Goughlan, Winnie Sasyk, Dottie Rasmach, Evelyn Holdt, Maxine Holman, Helen Walt, Cecilia Long, Mildred Votupaul, Zevels Pingel, Betty Davis, Florence Kierski, Wilma Ward, Delores Hood, Betty Hayden, Pauline Mayo, Germa Norman and Bernadine Westover.

Mrs. Bridges, the hostess, served refreshments. Mrs. Ruth Manion will be hostess next month.

SECOND BIRTHDAY
The second birthday of Mark Brunice was observed with a party Saturday afternoon in the home of Mr. and Mrs. Thomas Brunice, 1527 Sixth street. Red and white were used as the color scheme and there were favors for each boy and girl.

A cake topped with a circus theme adorned the table and was served with ice cream to Mrs. Edna Miller and Mrs. Fay Brunice, grandmothers. Mrs. Rose Miller, great-grandmother, and Mrs. Marie Miller and sons, Ronald and Raymond, and daughter, Donna. Mrs. Julie Pearce and children, Bobby and Billy. Mrs. Sally Macraes and daughter, Pamela. Mrs. Ed Hartman and daughters, Judy and Janet, and Mrs. Kathryn Courry and son, Mark.

The children played on the lawn, after which the honored guest opened his gifts and cards.

MRS. WOOD HOSTESS
Mrs. Ruby Wood was hostess to the Twelve Chatterers club in her home, 1738 Second street, Wednesday. A covered dish luncheon was enjoyed by Mrs. Gertrude Ashford, Mrs. Grace Hamilton, Mrs. Marie Stavara, Mrs. Elsie Vance, Mrs. Hazel Hinson, Mrs. Mary Hlava and Mrs. Lorraine Grimes.

Games were played at the close of the dinner hours, with prizes being awarded to each winner. Mrs. Grimes will be hostess to the club in June.

Station Attendants Given 10-Cent Hike

Approval of a new two-year contract giving a 10-cent hourly pay increase the first year and five cents the second year was voted Thursday night by members of the Automotive, Petroleum & Allied Trades Union Local 971, which represents about 125 service station attendants in the Quad-Cities area. The old contract expires May 31, and the new scale June 1 will be \$2.10 an hour for a 48-hour week. It was announced through the local office of the Associated Retailer. There are about 60 service stations in this area. The union's headquarters are in Belleville.

Eliminated from the new contract was a provision for a lower apprentice scale for a six-week period. The Retailers Association also is aiding in negotiations with Teamsters Local 525 for a contract for 12 drivers for local furniture stores.

Navy Mothers Meet At IOOF Hall

Navy Mothers Club, Unit 830, met Thursday evening at the IOOF hall with Commander Jean Teller in charge.

Announcement was made of certificates awarded to three of the members, Mrs. Mary Korsoog, Mrs. Mildred Walker and Mrs. Elsie Quinlan for work at the Jefferson Barracks Hospital, and plans were made for a public installation of officers to be held June 9 at 7:30 p.m. at the VFW hall, followed by a dance.

Refreshments were served to 13 members and prizes in the games were won by Mrs. Nellie Diez, Mrs. Peter Griffin and Mrs. Gladys Hertz.

A special guest at Thursday's meeting was Mrs. Barbara Shepherd of Springfield.

Shower Honors Miss Nancy Braun

Miss Nancy Braun of Alton, who will be married June 16 to Jerome Pfaff, was honored at a miscellaneous shower given by Miss Patzy Pfaff, Mrs. Ethel Marmion, Miss Joan Pfaff and Mrs. Sandy Harper at the YMCA.

Present were Mrs. Russell Pfaff, mother of the prospective bridegroom, and Mesdames Charlotte Griffith, Bernice Howell, Marie Turner, Norma Schmidtke, Jewell Ratliff, Myrtle McDowell, Effie Pfaff, Leona Pfaff, Miss Judy Pfaff and the guest of honor.

Two Retiring Teachers Honored

Mrs. Loretta Oldham and Mrs. Pauletta Mueller, both of whom are retiring from the teaching profession, were honored Friday afternoon at a tea given in the home economics room at Coolidge junior high school.

The hostesses, Mrs. Bess Coolidge, Mrs. Melva Naffziger and Mrs. Anita Ertzoff, used a colorful pastel butterfly theme in the appointments of the tea table, and the gift corsages, Iris peonies and yellow roses were used about the room and an arrangement of pink tea roses in a silver bowl centered the table, complemented with tall pink tapers in silver candleabra. Miss Coulter presided at the tea table assisted by Miss Jeanne Todd and Miss Candace Price.

In addition to the 30 faculty members present, guests were Mrs. Verna Stuart, Mrs. Mary Weiss, Mrs. Carolyn Moske, Mrs. John Krause, Mrs. Helen Tonciff, Mrs. Gladys Wallace, Mrs. Barbara Carle, Mrs. Marnie Frobisher, Mrs. Helen Krumach, Mrs. Erbe Johnson, Mrs. Elsie Schill, Mrs. Marie Klein, Mrs. Kathy Witteyong, Miss Beatrice Cooley and Miss Ruth Fletcher.

Pupils Give Party For Mothers

A "coffee party" was given by the pupils of the fourth grade of Stalling school and their teacher, Mrs. Margaret Richardson, for the mothers of the students Friday at the school.

The girls, in Spanish costumes, performed Mexican dances and the boys were large straw hats and kerchiefs. Decorations were in the same theme. Each child took part in the program, giving a report on "free," its growth and preparation. Refreshments were served.

Something For Everyone Included In Park District's Summer Programs

The most ambitious summer program in its history will be undertaken here this year by the Granite City park district.

In one sentence, that sums up about as briefly as possible just what the district is planning in the 12th consecutive year of such offerings for youngsters and adults alike.

Highlights of the summer will be a five-day July 4th celebration, an expanded "Music Under the Stars" event to include four different offerings, two tennis tournaments, an invitational. Class A softball tournament for which eight teams have been signed, swimming, tennis and golf lessons, trips to the Municipal Opera, eight color movies which will be shown to adults and at playgrounds, and the summer recreation program and sports camps for boys and girls.

In brief, there should be something which will interest every one, according to Park Superintendent Harold Brown, who will be co-ordinating the program.

While most activities will not get underway until schools are dismissed for the summer, in the meantime, park maintenance personnel and gardeners have been scurrying about for the month getting facilities in shape.

New benches, tables and barbecue grills are scattered throughout the 76 acres which make up Wilson Park, where most of the summer activities will be centered. Over 500 new flowering plants have been set out in the vicinity of the rock gardens, sidewalks are being repaved, and pools cleaned and painted and the circular pool in the center of the gardens figures representing the summer and winter seasons, a new bird bath, tennis court and a sun dial are to be installed.

"By Memorial Day you won't recognize the place," says Brown. May 30 has been set as the date established as the date when the rock gardens will have all its makeup and Brown has just tendered an invitation for the public to visit the area on that date.

The first park facility to be open officially will be the swimming pool. Weather permitting, May 26 and 27, Saturday and Sunday—will be the first swim dates. The pool will then close until Memorial Day, remain open that one day and on June 2 and 3, then open for the summer on June 4.

New self-service, self-operated lockers have been installed in the pool bathhouses, and the pool itself has a new coat of paint and underwater lights.

Early in June, the first of four "Music Under the Stars" programs will be presented on an elevated stage near the 27th street park entrance. The series opens on a Sunday this year, June 10—with a semi-classical vocal music.

Warren Simpkins will again direct this phase of the park's overall program. On June 28, "Say It With Music" will feature the works of Jerome Kern. A new junior high school chorus group will present concerts on July 9 and 10, and the annual opera, not shown yet, will be presented on July 16 and 17.

While on the subject of music, the park will sponsor four trips by air-conditioned bus to the Municipal Opera in St. Louis at a cost of \$3 per person. Shows picked this year are "Around the

STAFF MEMBERS who will have charge of various divisions of the summer program sponsored by the Granite City park district include Mrs. Helen Bjorkman, director of the

World in 80 Days, "The Panama Game," "Oklahoma!" and "The Music Man."

About 2000 youngsters in second through sixth grades are expected this summer in the Monday through Friday recreation programs supervised by Mrs. Helen Bjorkman and situated at Nameoki, Marshall, Wilson, McKinley, Niedringhaus and Logan elementary school and the Lincoln Place community center.

The programs begin on June 11 and conclude Aug. 3. Boys and girls residing in the park district may participate, at no charge, in such activities as bowling, handicraft, swimming, nature study, picnics and special tours of this year include trips to the St. Louis zoo and Grant's Farm.

Park program youngsters also will get to see eight theatricals at various times during the week at their playgrounds. And at makeup and Brown has just tendered an invitation for the public to visit the area on that date.

The first park facility to be open officially will be the swimming pool. Weather permitting, May 26 and 27, Saturday and Sunday—will be the first swim dates. The pool will then close until Memorial Day, remain open that one day and on June 2 and 3, then open for the summer on June 4.

recreation program; Dave Moss, tennis instructor; Andy Sullivan, boys' sports camp; and Pete Robinson, sports camp and umpire-in-chief in boys' baseball leagues.

A softball program which currently has two age divisions for 6-7th graders and 8-9th graders will be expanded to include older girls if enough interest is shown, is planned. The district is currently seeking an instructor for the program.

New this summer will be beginning classes in tumbling and trampolining, utilizing equipment purchased last winter by the park district. The outdoor classes will begin June 13, with Robinson in charge. One-hour sessions for boys and girls will start at 9 a.m.

In addition to the regular swimming hours at the Wilson Park pool, swimming lessons will be offered again this summer, beginning the week of July 9. Beginner classes for boys and girls are set for the morning hours before the pool opens. Again this time, the classes will be held in a supervised environment.

Girls are not being ignored in the ballplaying department either.

The annual July 4th celebration is scheduled in the park June 30 through July 4. Ten rides will be featured and local clubs and service organizations will again contract for concession stands.

A \$1000 fireworks display will climax the observance at 9 p.m. on Wednesday, July 4. Separate evenings will be reserved for street and square dancing, and a trampoline exhibition is planned.

Over the same five-day period the annual invitational softball tournament will be conducted at the park softball diamond, which is currently getting an improved lighting system.

Teams entered include defending champion Granite City, 1961 runner-up Blue Circle Lough, Alton Merchants, Alt-Wood Merchants (formerly Jackson's) Spangler Insurance of Granite City, DeVille Motors (formerly Turners), Seese and 8th Innings Lough.

All in all, it looks like a busy summer.

HOW WE OPERATE OUR PHARMACY.
Because shopping in a pharmacy is much more personal than dealing with the usual stores, we want you to know what you may expect when you make us your personal pharmacy.

1. WE WILL BE COURTEOUS. Everyone of us will be attentive, friendly and try our best to please you.
2. EVERYTHING WILL BE FRESH. We buy only in estimated quantities that we can sell before age causes loss of potency. Whether it be a medicine or a toiletry, we will never buy in too large quantities just to save money.
3. YOU WILL GET WHAT YOU ASK FOR. Because we carry a complete stock, you will be able to get your favorite brand. And, if there is any unusual product we do not have, please tell us its name and we will carry some in stock for you.
4. WE PRICE EVERYTHING FAIRLY. We operate as efficiently as any competitors. Everything we sell is priced to give us only the needed profit to operate a good pharmacy. No more—no less. We do not have "low leaders" to tempt you and force us to charge more on lesser competitive products.
5. PRESCRIPTIONS ARE MOST IMPORTANT. Everything in our pharmacy revolves around our prescription service. It comes first in all our efforts and planning. That is why they will be dispensed as quickly as safety permits and always get delivery preference.
6. WE APPRECIATE YOUR SELECTING US. We will always be thankful to those who select us to be their pharmacy.

No pavement could be stronger even if carved from solid rock

Interstate 70, near Effingham. When completed, highway will connect Illinois line west of Terre Haute, Indiana, and Mississippi River north of East St. Louis.

ILLINOIS INTERSTATE 70, with its modern concrete, assures years longer service

Next time you're driving over modern concrete, thinking how smooth-riding it is, remember, too: Engineers can design concrete highways that will last 50 years and more—with upkeep costs up to 60% lower than for asphalt.

Modern concrete is tremendously strong—hard and rigid. Laid flat on a specially designed subbase, it stays flat. Tires can't squeeze grooves and waves into it. This pavement needs no expensive resurfacing every few years. So initial cost isn't just a down payment.

Thrill comes built-in—so do greater comfort and safety. Modern concrete is laid continuously with only narrow sawed-in cushion spaces you can't hear or feel. And its grainy, light-colored surface means safer stops, better night visibility. You can be glad this pavement is being used on your new Interstate System highways.

MONDAY, MAY 24, 1887

Commencement exercises will be Thursday afternoon, May 27, at 2 o'clock in the auditorium of the Central grade school for 238 elementary school graduates. It was announced today by Supt. A. M. Wilson.

The program will consist of the procession, invocation by Rev. Roy N. Keen, pastor of the Niederrhine Memorial Methodist Church, presentation of diplomas by John H. Kleinschmidt, president of the board of education, and American Legion Awards to the outstanding boy and girl pupils.

Veterans' stations in the Tri-Cities will conduct their annual Poppy Day sale next Saturday, May 29. They are conducting campaigns under the auspices of the two American Legion posts and the Veterans of Foreign Wars.

The Fidelis class of the Third Baptist Church was entertained last week in the home of Mrs. Carroll Bright on Delmar avenue.

Mrs. Florence Baker, president, was in charge and prayer was offered by the pastor, Rev. J. T. Hinkle, followed by the Scripture lesson given by Mrs. Bright.

Mrs. Schwehr was selected as teacher for the class, which has been reorganized, and four new members were added to the roll. They are Mrs. F. Larkin, Mrs. Jack Reese, Mrs. Ritter and Mrs. Gertrude Davis.

Others present were Mrs. G. B. Austin, Mrs. Helen Carrington, Mrs. William C. Smith, Mrs. Raymond Gahr, Mrs. Keller, Mrs. Alexander, Mrs. Earl Lott, Mrs. M. L. Smith, Mrs. E. B. Stein, Mrs. L. M. Lark, and Mrs. F. B. Stein.

PERSONAL LINK ADDS INTEREST TO CIVIL WAR CENTENNIAL

To the Editor:

A new way to look at the civil war.

Did one of your ancestors fight in the civil war? If so, you have a unique opportunity to bring alive the U.S. history remembered war as the nation marks the civil war centennial. But even if you have not, you still can relive the events of the 1860s in a way that you and your family will long remember. All you need is a personal link to the past.

You, too, can make history come alive. Whether or not your ancestor fought in the civil war, you, too, can follow history through a personalized war.

If you believe an ancestor served in either the Union or Confederate armies, write to the National Archives, Washington 25, D.C. Give his name and state from which he served. Upon return, his service will be confirmed and name of unit given.

For \$1, you can obtain copies of pertinent records. Expect to wait several weeks for a reply. Elaborate histories of most regiments are printed and sold for many years. You may find his at your local library, or at the historical society of the state in which he served. The most complete collection is in the New York Library.

In addition, you can get information about his unit's battles and campaigns through the state historians. The National Archives also keeps records of units.

If you did not have an ancestor in the military, you can "adopt" a regiment. Most civil war units were raised by states and even by counties and towns. Probably your town sent a group of volunteers.

With little difficulty, you can learn the number of the regiment and follow it through the

Readers are invited to contribute to this column. Name and address must be given. Contributions should be sent to the editor of the Granite City Press-Record, P.O. Box 100, Granite City, Mo. Letters should be 250 words or less.

You may even find descendants of your ancestor. The library may have a history of the regiment.

For the cannonades and the cries of the civil war are as real as if they were happening today in our own backyard.

Water Service Will Help Spur Mitchell Area Growth

Start of water service today for Mitchell homes and businesses marks a major forward step for the northeastern section of the Quad-City. Availability of water should spur further development of the already sizable Mitchell area.

Along with the East St. Louis and Interurban water company's plan for connecting water lines along Fehling road west of Nemo, the Mitchell project is bringing rapid expansion of the local water supply network.

Modern Downtown Motor Hotel Will Be A Welcome Addition

The modern motor hotel proposed at the present site of Hotel Stevens will be a major improvement for the downtown business district and for the entire Quad-City community.

Just as in the case of the hotel scheduled for construction atop Sunset Hill this summer, the project should be well received due to the need for expanded hotel accommodations in the Illinois Metropolitan Area. With its central location and related facilities, the three-story bridge structure can be a welcome addition to the list of local service enterprises.

Summer Library Program Simplifies Vacation Reading

"I would read more books if I only had the time" is a comment heard often. Vacations afford such leisure time, and the library summer borrowing plan should make it easy to take along the volumes enjoyed by reading—a bad idea, for that matter, any time of the year.

While basking on the beach or in a shaded grove, or even during "do it yourself" projects at home, local residents can add to their vacation enjoyment by reading—a bad idea, for that matter, any time of the year.

Price Pot Vote Getter In Illinois Congress Races

A salute goes to Cong. Price as the state's highest vote-getter in last month's Congressional primaries. The local Democrat's 69,227 votes, including 34,721 in Madison county, represented 60.7 percent of those polled by Rep. Hoffman (R) of Wheaton.

It is interesting to note that Madison county's 45,057 turnout was the fifth highest among Illinois counties. Statewide, Republicans led 586,848 to 466,360 downstate. 705,083 to 351,684 in Cook county for a grand total of 1,171,443 to 938,532 votes for the GOP.

Opinion Voiced On Foreign Tax Revisions

Foreign tax provisions of HR 10650, a bill before the Senate finance committee, pose a serious question to the nation's interest in the many U.S. companies doing business overseas, in the opinion of Thomas F. Benninger, general manager of the Madison plant of the Owens-Illinois Glass Company's Forest Products Division.

Benninger, other Owens-Illinois leaders and other firms are notifying Sen. Harry F. Byrd, committee chairman and the Senate Finance Committee, of their opposition to the proposal, on the grounds that it would hamper its efforts to aid underdeveloped countries and impose a serious handicap on foreign subsidiaries of American firms.

Owens-Illinois has been engaged in foreign commerce for over 30 years and exports a wide range of products to more than 80 countries.

"Owens-Illinois would have no objection if the bill was confined solely to elimination of foreign tax credits which are without real business substance and are intended only to enable some to dodge the federal income tax," Benninger explains.

Unfortunately, the provisions unjustly penalize companies which pay their income taxes in foreign currencies. American representation overseas—American business which sells American-made goods competitively with foreign companies or operates in the Common Market and elsewhere.

One important way we can keep the U.S. economy in vigorous health is by having strong representation overseas—American business which sells American-made goods competitively with foreign companies or operates in the Common Market and elsewhere.

Realtors' Week Opens With Luncheon Today

In conjunction with the opening of the new building, members of the Granite City Association of Realtors held a noon luncheon at the new building today. Claude Cochrane, president of the board, said the group reiterated its intention to observe the code of ethics of the National Association of Real Estate Boards.

The national association now has over 70,000 members, Cochran said. The association has separate boards. There are 27 Realtors in the Quad-Cities. Luncheon speakers were William S. Allmar, Wheaton, president of the Illinois Association of Real Estate Boards, and Dr. E. J. Williams, president of the local association.

Theme of this year's Realtors' Week is "Home Sweet Home." The luncheon was held at the new building, 1115 Delmar Ave., Granite City, Mo. The new building is a three-story structure with a modern design and a large parking lot. It will be a major addition to the downtown business district and for the entire Quad-City community.

THE PASTOR SPEAKS

REV. RALPH CRAYCRAFT Sr., Mitchell First Baptist Church, said that "Blessed are they which do hunger and thirst after righteousness; for they shall be filled. Hunger and thirst are signs of health, as well as signals of need. Was this in the mind of Jesus? Did the everyday scene with its multi-colored crowds form the background for this beatitude? I think that it did.

He looked upon these toll-worn people with compassion as He fed the multitude when He fed on the mountainside with five barley loaves and two fish. Here Jesus had his disciples to arrange the men, women and children in groups on the ground. They were all seated. Jesus took the five loaves and the two fish and gave thanks, and broke them, and gave to his disciples, and the disciples to the five thousand, and they all did eat and were filled.

Have you ever been hungry? On this to know the gnawing hunger, one has to know the fullness of the heart. It is a hunger of the heart as well as of the body. In this metaphor, Jesus showed the spiritual need as well as the physical need of the multitude of people, when He said, "Blessed are they which do hunger and thirst after righteousness; for they shall be filled."

It is a hunger of the heart as well as of the body. In this metaphor, Jesus showed the spiritual need as well as the physical need of the multitude of people, when He said, "Blessed are they which do hunger and thirst after righteousness; for they shall be filled."

Cool waters that quench the thirst, and pure bread that empowers, are the symbols of righteousness to which Jesus points, when He said, "Blessed are they which do hunger and thirst after righteousness; for they shall be filled."

They who hunger and thirst after righteousness, after Christ, cannot fail to attain the kingdom of heaven. For the word of Christ is pledged, "They shall be filled."

LOCKJAW CAUSES MANY AVAILABLE DEATHS

Tetanus, a common and deadly disease, is a serious disease that may result from what appears to be a minor scratch or puncture. It causes many deaths avoidable by simple preventive measures.

The bacillus or organism responsible for the disease produces a toxin which affects the nervous system. The organism is found in the intestines of many animals. It is present in well-manured soil, which explains the frequency of tetanus in farming areas.

Dirty Wounds Dangerous

The bacillus is passed on to man through cuts, abrasions, scratches, and burns. It is especially dangerous in gunshot wounds and burns. This is because particularly in the case of wounds, it is not removed. Since removal often is difficult, a fertile field is provided for the bacilli to multiply and to generate poison.

The incubation period may vary from a few days to about 30 days—normally from one to ten days.

Thus, the first symptom may appear at varying times. This usually is a tightness of the jaw, hence the term lockjaw. The face takes on a distorted look, neck muscles become stiff, and in time the limbs become rigid and stiff.

There are painful spasms, or convulsions, of the trunk and limbs. These become difficult. In the more severe cases, death may result in a few days.

Preventive Measures

Preventive measures are available. Tetanus is a disease which can be avoided. Wounds should be washed thoroughly and immediately with soap and water.

Antisepsis poured into the wound in farming areas, in dirt or in punctured wounds, injections of tetanus antitoxin should be given. This is especially true in the case of active tetanus immunization has been given.

Immunization, one only needs to take a "booster" shot which continues protection against tetanus for long periods.

Poppy Sales Part of Busy Post 307 Schedule

"Poppy days" to be conducted in Madison and Venice Friday and Saturday will be a highlight of a busy two-week period for Venice-Madison American Legion Post 307 and Auxiliary Unit 307.

The artificial poppies will be sold in business areas and at the home of the post. The two days to raise funds for care of disabled veterans and their widows and orphans.

Traditional Memorial Day services and a parade are planned for Wednesday, May 30, and representatives of Post 307 will participate in several school graduation exercises this week and next week.

American Legion school medals will be presented at Venice-Madison school tomorrow by Michael Leatherman, past commander of Post 307, at Madison school on Thursday. Thursday by Kenneth Hinton, post at St. Mark's parochial school in Venice on Friday, May 27, by Fr. Robert C. McCarthy.

The Legion drill team a d color guard, directed by John Gontemmer, will post the colors at the school on Wednesday, May 27, at the school's commencement Friday.

Complex Cost Factors In Teachers' Pay Negotiations

Complex financial considerations are occupying school administrators, teachers and board members as they strive to achieve an agreement on salaries and other provisions for the 1962-63 school year.

Efforts are being made to arrive at a settlement by the end of May.

Supt. Harold M. Kaiser met late Thursday afternoon with the salary and policy committee of Local 743, American Federation of Teachers, and was in Chicago Friday to confer on the school district's prospects for future federal grants.

Board Meeting Tuesday

A report on the negotiations and a Chicago meeting is to be submitted to the school board at its regular meeting at 7:30 p.m. tomorrow.

The pattern of salary increases developing in other school districts for next year is not clear. Pay schedules for the current year also vary in these districts.

Teachers in East St. Louis district and at East Alton-Wood River high school will have the same salary schedule in 1962-63 as in 1961-62 due to two-year agreements approved a year ago.

Increases in next year's schedules include \$3 to \$22 monthly in the Madison school district; \$9 to \$79 in Alton, where sports and other extracurricular programs are being curtailed; \$11 to \$16 in Collinsville; \$11 to \$22 at Belleville high school; \$22 to \$65 in St. Louis; and \$30 to \$75 in Edwardsville.

Proposed Schedule

Granite City teachers have asked for an \$88 monthly raise throughout the six-month, 12-year schedule.

Pay ranges would change from \$127-\$650 to \$136-\$738 for non-degree teachers; \$222-\$755 to \$241-\$844 for those with bachelor degrees; \$344-\$706 to \$363-\$855 for bachelor degree with 150 college credit hours; \$366-\$788 to \$385-\$877 for bachelor degree with 175 credit hours; \$388-\$811 to \$407-\$900 for master degree; and \$411-\$833 to \$430-\$922 for master degree with 190 credit hours.

Other sections of the proposed agreement submitted by Local 743 include \$5-an-hour overtime pay after 3:30 p.m. weekdays and at any time during weekends for activities performed at the school district's request and for compulsory attendance at conferences.

Some districts pay overtime to teachers assisting at events where there are gate receipts, but nothing for aid at programs for which no gate receipts are charged.

Examples Of Complexities

Complexities involved in determining available funds are numerous, even if the issue is simplified to a goal of raising teachers' salaries as high as finances will permit.

When classroom construction, debt retirement and other goals are added to the picture, it becomes even more complicated.

Examples of difficult-to-figure factors are the year's deficit in actual receipts of taxes after they are levied by the district, and the intangible as well as tangible effects of enrollment increases on school costs.

Debt Cut In Half

The fact that school operating debt as of June 30 may be less than half of the debt of two years ago would seem to mean that there is "elbow room" in the school budget.

But school officials say the present educational fund tax rate limit of \$1.75 was reached sooner than absolutely necessary, in the hope of curbing debt and reducing the amount of funds devoted to non-productive interest payments. The cost of more rooms, textbooks, teachers, custodians, light, fuel, wage boosts, etc. have now caught up with the rate and have squeezed out any "cushion," they conclude.

Representatives of the teachers' federation concede that such financial aspects must be considered, but point to the necessity of paying salaries that are high enough to attract and retain competent instructors. They note that the educational system is of key importance in a democracy dependent upon an informed citizenry, and they call attention

to higher pay in other professions.

Figures prepared by Supt. Kaiser show that the proposed schedule increase would cost the district \$418,400 in 1962-63, based on 523 staff members who would be affected.

Applying the \$1.75 rate to \$182,617.02, assessed valuation, he shows \$3,155,850 tax revenue reduced to \$3,036,058 with allowance of 5% or \$156,792 for collection losses and costs.

Effect Of Valuation Rise

The traditional year's delay in taxes, during which the assessment had risen, becomes a factor at this point. Miss Eulalia Hotz, county clerk, actually has extended \$3,062,212 in educational fund taxes. Net effect is that the full 5% will not be levied; \$3,062,212, the district will receive all but \$26,154 of the amount.

This point did not affect the accuracy of the Press-Record's analysis of Granite City school finances last week, since the newspaper's figures were based on \$1,75 and 5% in its report, instead of the levy.

School officials say the analysis, prepared independently, was correct. Differences result from the school district adding the building fund to the financial projections—state law now authorizes transfer of some costs to the building fund—and from the fact that the newspaper's study projected the present construction and debt policies, rather than listing all such funds as possibly available for salaries.

Adding \$2,187,837 income anticipated from sources other than local property taxes, the superintendent lists \$3,223,895 total educational fund receipts for 1962-63.

Expenses are estimated at \$3,064,926, leaving \$158,969. Provision was made for 15 additional teachers; for more custodians, secretaries, textbooks and supplies; and for salary schedule increments totaling \$60,000 for 300 teachers not yet at the maximum.

Building Fund Estimates

In the building fund next year, Dr. Kaiser estimates \$362,744 from taxes and \$800 from the Granite City Housing Authority, with costs reaching \$266,290 for a difference of \$97,254.

For 1963-64 in the building fund, the projections are \$480,000 total income, assuming that the tax rate is increased to the maximum of 25 cents on each \$100 assessed valuation, and expenses of \$266,290, a difference of \$213,710.

His 1963-64 estimates for the education fund, assuming that assessments rise another \$5,000, show \$3,308,320 income, 119,183 taxes and \$2,269,137 other revenue. \$3,364,926 expenses and a \$22,394 difference. The \$300,000 expected rise in spending between 1962-63 and 1963-64 consists of \$60,000 for increments and \$240,000 based on 600 extra students at a \$400 average cost.

Musso Still Critical, Water Service Begins In Mitchell

Sheriff George Musso, Edwardsville, is still on the critical list today at Barnes Hospital, St. Louis, although reported improved the past two days. He suffered four fractures of the left leg, two of the right leg, multiple fractures of the pelvis, a broken vertebra and a cracked chest bone in a head-on auto crash Thursday evening.

Musso, 52, former star of the Chicago Bears football team, was on his way to a banquet in St. Louis of the "Old Pro Club."

He was riding in the car of William E. Buckler, 61, East Alton, also a former member of the Bears, who suffered a deep forehead cut and injuries to the right cheek, right knee and left wrist.

The accident occurred at 5:35 a.m. in a heavy downpour. Donald E. Harris, 32, Springfield, was heading east on Bypass 66 two and a half miles west of Edwardsville and had entered the westbound lane to pass a truck. The truck, a 1954 Chevrolet, was wrecked for about 15 minutes until freed by a tow truck driver. Harris suffered chest, head and right ankle injuries; he and Buckler were taken to Wood River Township Hospital. An appeal was made Friday for blood donors for Sheriff Musso. Merry responded and nine pints had been administered through Saturday.

Entire Family Injured In Car Crash Sunday

The four members of the Loran Robinson family, of 2029 Edwardsville road, Madison, were among 12 persons injured in 21 accidents occurring in the area since Thursday.

Robinson, 39, his wife Juanita, 36, their son John, 13, and daughter Brenda, 11, are in St. Mary's Hospital, East St. Louis. They were injured Sunday afternoon when their car was struck by another driven by Daryl Lang, 16, of Collinsville. He had two passengers with him. All were injured.

State police said the Robinson car was struck when it pulled onto U.S. Highway 40 from Sand Prairie lane near Cahokia. Mouton state park near Fairmont City.

Robinson, a welder at Laclede Steel Co., suffered multiple facial cuts and injuries to the chest and pelvis. Mrs. Robinson suffered multiple facial cuts and arm and head injuries. Both are listed in serious condition.

John, 13, a student at Madison junior high school, suffered multiple facial cuts and an injury to the chest. Brenda, 11, a student at Louis Baer school, suffered injuries to the right foot, left leg and shoulder. Both the children are listed in good condition.

The driver of the other car and two teenage companions from East St. Louis also were hospitalized with injuries.

Drops Cigarette, Hits Pole

Eldon R. Jackson, 19, of 2059 East 14th street was taken by ambulance to St. Elizabeth Hospital for treatment of injuries suffered at 7:45 a.m. Saturday when his westbound auto left Broadway at Main street and hit a utility pole. He had dropped a cigarette and was trying to retrieve it when the crash occurred. The front of the car was damaged and the vehicle was towed away.

Gene R. Hall, 28, of 2041 State street, was given an arrest ticket for illegally starting from a parked position Friday after he pulled out from the curb in the 1400 block of 19th street. His car struck one driven by Edward W. Foley, 18, of 601 Washington avenue. Foley and his passenger, Kay Chowning, 18, of 606 Broadway, Venice, suffered minor injuries, police said.

Ben H. Miller, 37, 2453 Hodges avenue, was given an arrest ticket for careless driving Friday. He lost control of his car in the 2600 block of Nameoki road and it struck a light pole. Police said he had been under the influence of alcohol and may have blacked out. He was treated at St. Elizabeth Hospital for minor injuries.

Darling Demaree, 25, of 1639 Poplar street, told police she misjudged the road Sunday. Her car struck a parked truck at 2335 Rock road. The second vehicle was owned by Wilbert G. Wachtel, of 2117 Lynch avenue. She was treated for minor injuries at St. Elizabeth hospital.
